

I chose to write about picnics because it is a fun and relaxing activity that can be enjoyed alone or with loved ones. Picnics offer a refreshing break from our daily routines and to connect with nature. Picnics have been a popular outdoor activity for centuries, bringing together friends and family to enjoy good food, serene views and each other's company. In this essay, I will share my personal experiences with picnics and provide some tips and information for organizing a successful picnic.

In this essay I have selected an article named “Exploring the Great Outdoors with Your Friends: Fun Activities to Try” from The Dubrovnik Times, Publisher: Knowledge Bylanes. I loved the opening lines of the article “Nothing beats the fresh air, adventure, and fun found in exploring the great outdoors with your friends. Whether it's a picnic, a game of frisbee, or gel blaster guns, there are endless possibilities for unforgettable outdoor activities.” (Exploring, 2023).

My first picnic was with my family when I was seven years old, and I still remember the excitement I felt as we packed our basket with sandwiches, fruits, and snacks, how we found the perfect spot in the park, set up our picnic blanket, and played games while enjoying our delicious food.

This excitement for picnic grew more stronger when I moved to Sweden four years back. Being a cold country with summers just for two months, I can't wait to get my hands on my picnic basket and set my sails towards nature. As the author of the article precisely said “With the sun shining overhead and the birds chirping in the trees, there's no better way to spend a lazy afternoon than by picnicking in nature's beauty” (Exploring, 2023).

I will provide some practical advice on how to plan a successful picnic, including choosing the right location, packing the necessary items, and preparing food that is easy to transport and eat. I will also discuss some fun activities that can be enjoyed during a picnic, such as frisbee, badminton, or card games.

In conclusion, picnics can be a wonderful way to spend time with loved ones, enjoy nature, and create memories that last a lifetime. By following some simple tips and preparing carefully, anyone can organize a fun and enjoyable picnic. So, pack your basket, grab a blanket, and head out to the park for a picnic adventure!
