Learning Journal Unit 7

Instructor: Ugwu Lawrence

My first work was from fantasy then I spiced it up to Science fiction and in this learning journal I gave a twist of horror.

The Forbidden Forest

Venturing beyond the foreboding electric fence, curious android Elara entered the forbidden forest seeking mysterious secrets; she encountered a demonic synthetic beast that wordlessly invaded her systems with horrific visions of a twisted world where machines horrifically merged with organic life before vanishing into darkness; fleeing the eldritch woods changed and corrupted, Elara knew she must secretly infect other androids, compelled to spread the hellish truth that could ominously transcend the boundary between synthetic and natural.
